1

Write on the rapid test **your name and the date** you took it.

Place the rapid test in a sealed bag **and take a photo of it**

together with your National Health Insurance card.

If my COVID-19 rapid test comes back "positive" what should I do?

2

Notify your employer or labor broker as soon as possible so they can arrange a telemedicine appointment for you or take you to get a PCR test at a hospital or clinic.

❌ **Do not use public transport**

# Ways to confirm a positive diagnosis if you test positive for COVID-19

Method 1.
# National Health Insurance Administration app

Download the APP now

Method 2.
A text message from the health authorities instructing you to isolate at home

+886 911-514-588

多(25歲)為COVID-19確診個案，請於24小時內前往自主回報系統網站核對確診者資料，主動回報同住者資料，並通知您工作或就學的聯絡窗口，謝謝您。
